Question 5

0.33 / 1 pts

Which of the following is a Quantitative method used in demand forecasting?

- ☒ Time series analysis
- ☐ Market research
- ☐ Exponential smoothing
- ☐ Moving averages

Correct!

Correct Answer

Correct Answer

Question 6

1 / 1 pts

Differentiation strategy aims to:

- ☐ Minimise production costs
- ☐ Lower product quality
- ☒ Create unique and superior products
- ☐ Maximise supplier power

Correct!

That's correct!

Question 7

1 / 1 pts

In the TOWS Matrix, which strategy involves leveraging organisational strengths to capitalise on external opportunities?

- ☐ WT strategies
- ☒ SO strategies
- ☐ WO strategies
- ☐ ST strategies

Correct!

That's correct!

Question 8

1 / 1 pts

Which of the following best defines the Survey Method in demand forecasting?

- ☒ Gathering insights from industry experts to estimate future demand.
- ☐ Creating multiple scenarios based on different assumptions to forecast demand outcomes.
- ☐ A technique that uses statistical models to predict future demand based on historical data.
- ☐ Analysing cause-and-effect relationships between external factors and demand patterns.

Correct!

That's correct!

Question 9

1 / 1 pts

What role does Porter's model primarily play in strategic planning?

Correct!

- ☒ Analysing industry competitiveness
- ☐ Reducing marketing expenses
- ☐ Assessing employee performance
- ☐ Identifying operational inefficiencies

That's correct!

Question 10

1 / 1 pts

What does the Moving Average Method involve in demand forecasting?

Correct!

- ☐ Creating multiple scenarios based on different assumptions for forecast outcomes.
- ☒ Assessing historical data sequentially to identify patterns and trends.
- ☐ Utilising expert opinions to predict future demand.
- ☐ Analysing cause-and-effect relationships between external factors and demand patterns.

That's correct!

Question 11

1 / 1 pts

Which factor is essential in implementing the TOWS Model effectively?

Correct!

- ☐ Ignoring external threats
- ☒ Integrating internal and external factors
- ☐ Evaluating internal strengths only
- ☐ Ignoring internal weaknesses

That's correct!

Question 12

1 / 1 pts

Which of the following best describes the Causal Methods in demand forecasting?

Correct!

- ☐ Assessing expert opinions and refining predictions through multiple rounds of feedback.
- ☐ Creating multiple scenarios based on different assumptions for risk assessment.
- ☐ Utilising moving averages to predict future demand based on historical patterns.
- ☒ Analysing economic indicators and establishing cause-and-effect relationships in demand fluctuations.

That's correct!

Question 13

1 / 1 pts

What distinguishes Maxi-Mini Strategies (ST) from other strategies within the TOWS analysis?

Correct!

- ☒ They leverage strengths to address identified threats.
- ☐ They prioritise minimising strengths over maximising opportunities.

- ☐ They emphasise weaknesses for threat mitigation.
- ☐ They focus solely on exploiting opportunities.

That's correct!

Question 14 1 / 1 pts

What is a characteristic feature of the Delphi Method in demand forecasting?

- ☐ Assessing the impact of marketing strategies on demand fluctuations.
- ☒ An iterative approach involving multiple rounds of anonymous surveys among experts.
- ☐ Applying machine learning algorithms for forecasting.
- ☐ It relies solely on historical data for predictions.

That's correct!

Correct!

Question 15 1 / 1 pts

What does Market Trend Analysis help businesses predict?

- ☐ Specific sales figures for the next week.
- ☐ Short-term fluctuations in market demand.
- ☐ Internal operational inefficiencies.
- ☒ Long-term changes in customer preferences.

That's correct!

Correct!

Question 16 1 / 1 pts

Which of the following is NOT a component typically analysed in environmental scanning?

- ☐ Technological advancements
- ☐ Political factors
- ☐ Economic trends
- ☒ Organisational strengths

That's correct!

Correct!

Question 17 1 / 1 pts

What characterises Cost Leadership Strategy in business?

- ☐ Offering unique products with premium pricing.
- ☐ Focusing on differentiation within a specific market segment.
- ☒ Providing products at the lowest cost compared to competitors.
- ☐ Targeting a narrow market with customised offerings.

That's correct!

Correct!

Question 18 1 / 1 pts

How does the Differentiation Focus Strategy differ from the Cost Focus Strategy?

- ☐ Both strategies aim for broad market appeal with differentiated products.
- ☒ Differentiation Focus targets a narrow market with unique offerings, while Cost Focus aims for low-cost within a broad market.

Correct!

- ☐ Differentiation Focus and Cost Focus strategies are synonymous.
- ☐ Cost Focus emphasises broad differentiation, while Differentiation Focus targets cost leadership.

That's correct!

Question 19

1 / 1 pts

Environmental scanning primarily aids organisations in:

Correct!

- ☒ Identifying market opportunities and threats
- ☐ Restructuring the organisational hierarchy
- ☐ Predicting quarterly financial results
- ☐ Developing internal policies

That's correct!

Question 20

1 / 1 pts

What aspect of business does Porter's Model primarily assess?

Correct!

- ☐ Market penetration strategies.
- ☐ Internal organisational culture.
- ☒ External industry attractiveness and competitive forces.
- ☐ Customer satisfaction levels.

That's correct!
